Dance: Grade 4

Creating

1 Generate and conceptualize artistic ideas and work.

EXPLORE

a Identify ideas for choreography generated from a variety of stimuli. DA:CR1.1.4 (A)

b Develop a movement problem and manipulate the elements of dance. DA:CR1.1.4 (B)

2 Organize and develop artistic ideas and work.

PLAN

a Manipulate or modify choreographic devices to expand movement possibilities and create a variety of movement patterns and structures. Discuss movement choices. DA:CR2.1.4 (A)

b Develop a dance study that expresses and communicates a main idea or emotion. Discuss the reasons for and effectiveness of the movement choices.

3 Refine and complete artistic work.

REVISE

a Revise movement based on peer feedback and self reflection to improve communication of artistic intent in a short dance study. Explain choices made in the process. DA:CR3.1.4 (A)

b Depict the relationships between two or more dancers in a dance phrase by demonstrating spatial components of shape, personal and shared space, levels, direction, and pathway. DA:CR3.1.4 (B)

Performing

4 Select, analyze, and interpret artistic work for presentation.

EXPRESS

a Make static and dynamic shapes with positive and negative space. Perform elevated shapes (jump shapes) with soft landings and movement sequences alone and with others, establishing relationships with other dancers through focus. DA:PR4.1.4 (A)

b Accompany other dancers using a variety of percussive instruments and sounds. Develop the ability to count a phrase of movement with music. Respond in movement to even and uneven rhythms. Recognize and respond to tempo changes as they occur in dance and music. DA:PR4.1.4 (B)

c Analyze movements and phrases for use of energy and dynamic changes, and use adverbs and adjectives to describe them. Based on the analysis, refine the phrases by incorporating a range of movement characteristics. DA:PR4.1.4 (C)

5 Develop and refine artistic techniques and work for presentation.

EMBODY

a Continue developing and demonstrating fundamental dance skills (for example, alignment, coordination, balance, core support, kinesthetic awareness) and movement qualities when learning choreography; replicating and recalling patterns and sequences of locomotor and nonlocomotor movements. DA:PR5.1.4 (A)

b Develop and execute techniques that extend movement range, build strength, and develop endurance. Explain the relationship between execution of technique, safe body-use, and healthful nutrition. DA:PR5.1.4 (B)

c Coordinate phrases and timing with other dancers by cueing off each other and responding to stimuli cues (for example, music, text, or lighting). Reflect on feedback from others to inform personal dance performance goals. DA:PR5.1.4 (C)

6 Convey meaning through the presentation of artistic work.

PRESENT

a Present a collaborative dance performance creating a formal performance space from an informal setting (for example, gymnasium or grassy area). DA:PR6.1.4 (A)

b Identify, explore, and experiment with a variety of production elements to heighten the artistic intent and audience experience. DA:PR6.1.4 (B)

Responding

7 Perceive and analyze artistic work.

ANALYZE

a Find patterns of movement in dance works that create a style or theme. DA:RE7.1.4 (A)

b Demonstrate and identify different dance styles within a genre or within a cultural movement practice. DA:RE7.1.4 (B)

8 Interpret intent and meaning in artistic work.

INTERPRET

a Relate movements, ideas, and context to decipher meaning in a dance using basic dance terminology. DA:RE8.1.4 (A)

9 Apply criteria to evaluate artistic work.

CRITIQUE

a Discuss and demonstrate the characteristics that make a dance artistic and apply those characteristics to dances observed or performed in a specific genre, style, or cultural movement practice. Use basic dance terminology. DA:RE9.1.4 (A)

Connecting

10 Synthesize and relate knowledge and personal experiences to make art.

SYNTHESIZE

a Relate the main idea or content in a dance to other experiences. Explain how the main idea of a dance is similar to or different from one's own experiences, relationships, ideas or perspectives. DA:CN10.1.4 (A)

b Develop and research a question relating to a topic of study in school using multiple sources of references. Select key aspects about the topic and choreograph movements that communicate the information. Discuss what was learned from creating the dance, and describe how the topic might be communicated using another form of expression. DA:CN10.1.4 (B)

11 Relate artistic ideas and works with societal, cultural, and historical context to deepen understanding.

RELATE

a Select and describe movements in a specific genre or style and explain how the movements relate to the culture, society, historical period, or community from which the dance originated. DA:CN11.1.4 (A)
