North Carolina CTE

Invention and Innovation I: Grade 7

Understand invention, innovation, and the design process. 1.00	**1** Recall inventing 101. 1.01
	2 Explain the engineering design process. 1.02
	3 Explain innovation in action. 1.03
Understand engineering core concepts. 2.00	**1** Explain systems. 2.01
	2 Explain reverse engineering. 2.02
	3 Explain mechanisms. 2.03
