West Virginia CTE

Piping Systems

Piping	1	Types of piping and the purposes for which each is used 1722.1
	2	Examine piping terminology and materials 1722.2
	3	Examine the purpose for certain types of piping 1722.3
	4	Draw piping jobs 1722.4
Joints and Fittings	5	Common joints and fittings 1722.5
	6	Examine common joints 1722.6
	7	Examine common fittings 1722.7
Valves	8	Common valve type 1722.8
	9	Examine common valve types 1722.9
	10	Examine common valve type uses 1722.10
Schematics and Layouts	11	Piping schematics and isometric layouts 1722.11
	12	Draw a piping schematic 1722.12
	13	Draw an isometric piping layout 1722.13
	14	Demonstrate dimensioning of piping systems. 1722.14
